### Technical specifications

#### TOPS

Made of honeycomb core with external wood particle panels thickness 58mm, E1 class antiscratch and anti-reflective melamine-faced with perimeter edges in 1mm thick ABS.

The first portion of the top have wood grain in contrast with the central elements of the top.

Tops available in 2 melamine wood finishes.

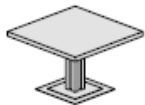

#### TABLE BASE - METAL

Made with a double base in pickled steel sheet, both 5mm thick. The 4 columns are made of 2mm thick 60x60 tubular steel. They are fixed to the top by means of a 5mm thick pickled steel plate. All the metal components of the base are painted with epoxy powders.

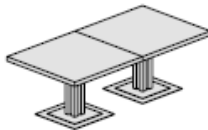

Available in the two metal colors of the collection.
