Technical specifications

The HYPE RECEPTION module allows you to transform your desk into a special reception station. It can be positioned freely on the front of the desk thanks to the structure that supports the shelf.

MELAMINE SHELF

Made with 25mm thick particle board panels with E1 class anti-scratch and anti-reflective melamine on two sides, with 1mm thick ABS perimeter edges. Composed of a horizontal panel and a vertical panel cut at 45° and joined with joining hardware at 90°. Shelf fixed to the desk by means of a metal bracket and side panels in melamine finish, with storage function in the upper part and cable holder in the lower part. Available in 3 melamine finishes.

LACQUERED SHELF

Made with 25mm thick particle board panels, class E1 ennobled on two sides, scratch-resistant matt lacquer with polyurethane paints. Composed of a horizontal panel and a vertical panel cut at 45° and joined with joining hardware at 90°. Shelf fixed to the desk by means of a metal bracket and side panels in lacquered finish, with storage function in the upper part and cable holder in the lower part. Available in 15 colors.

GLASS COVERED SHELF

Available in two versions:

- with MELAMINE support
- with LACQUERED support

The melamine or lacquered panels are covered with back-lacquered glass plates and beveled along the junction side. Available in 10 lacquered glass finishes.

LAMINAM® COVERED SHELF

Available in two versions:

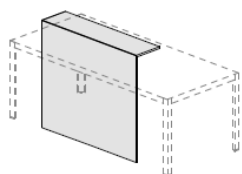

- with MELAMINE support
- with LACQUERED support

The melamine or lacquered panels are covered with 5mm thick LAMINAM® porcelain stoneware slabs and beveled along the joint side. Available in 2 variants: K1BS Glossy Veined Statuary White and K1ND Noir Desir Glossy.

CABLE COMPARTMENT CARTER

The rear panels that support the reception shelf are equipped with a metal casing that covers the cable compartment. Made of 1,2mm thick epoxy powder coated steel sheet. All edges are rounded. Available in 2 colors.
