STRUCTURE AND DRAWER FRONTS

Made up of top, base, side panels, internal partitions with central 2 drawer pedestal unit and 2 sliding doors.

Made with 18mm thick particle board panels. Structure available in 2 versions:

- melamine E1 class scratch-resistant and antireflective on two sides, with perimeter edges in 1mm thick ABS available in the 7 melamine wood essences;
- micro-structured matt lacquered with polyurethane paints available in the 19 colors of the collection.

The internal drawers are made with sides covered in black PVC and bottom in 3mm thick MDF. Opening system with sliding on retractable square guides, with Push & Pull mechanism. The drawer fronts are available in all the finishes of the melamine, lacquered, veneered of the range.

MELAMINE, LACQUERED OR VENEERED SLIDING DOORS

Sliding doors on an aluminium track with a recessed handle in 3 different finishes.

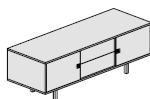

Available in all the finishes from the melamine, lacquered and veneered collection.

BASE

Frame made of extruded aluminium with squaresection feet. Epoxy-powder-coated in 3 different colours. Levelling foot.
